Average CMO tenure holds steady at lowest level in a decade

The mean tenure of a CMO is 28 months

A still from a movie featuring George Clooney. He is wearing a dark suit, a light blue shirt, and a dark patterned tie. He has a confused or questioning expression on his face, with his eyebrows slightly furrowed. He is seated, and his right hand is partially visible, resting on his lap. In the foreground on the right, the back of a person's head and shoulder are visible, out of focus. The background is a dimly lit office or interior space with some shelves and a lamp.

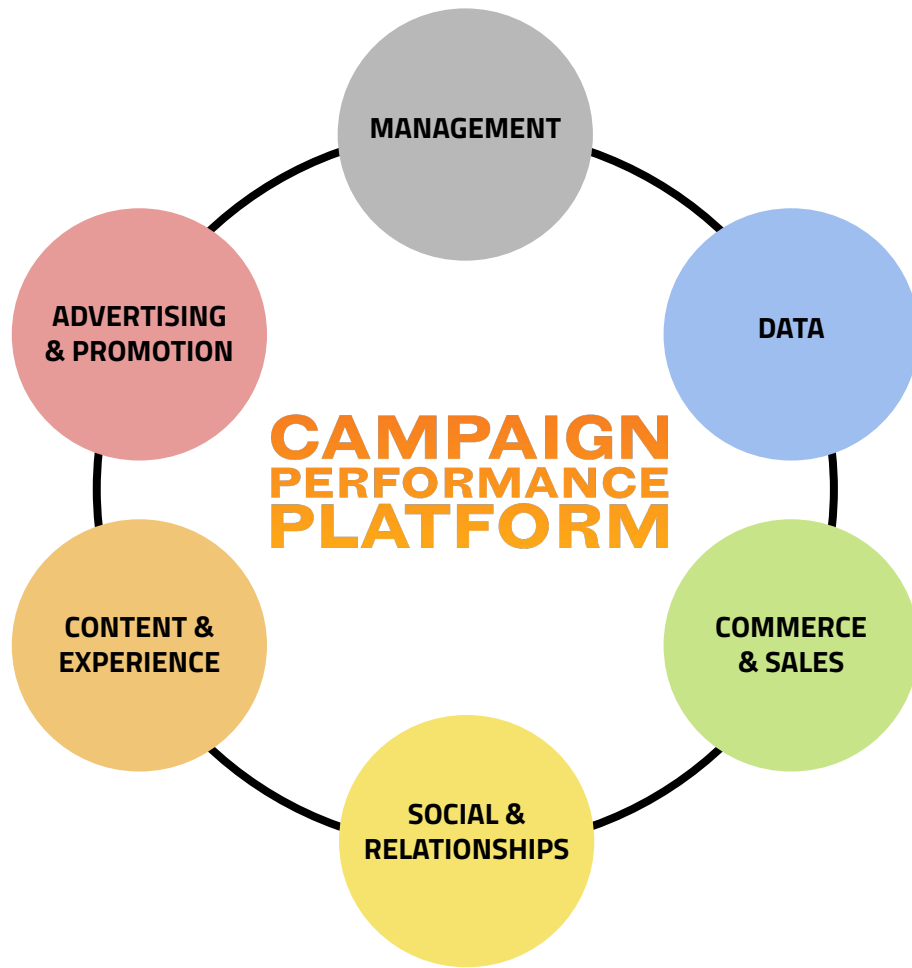

I'M FIRED? YES, YOU'RE FIRED.

THE CAMPAIGN PERFORMANCE PLATFORM

- 1** Unlock the value of first-party and zero-party data
- 2** Personify your data gaining invaluable insights and signals
- 3** Predict, automate, and scale creative in days
- 4** Target ads to personas through an omni-channel approach
- 5** Measure ROI by campaign, persona, channel, and overall

OLD

TODAY'S STATUS QUO

- 1** Waste time & money because of siloed data
- 2** Have a limited to no understanding of customer behaviors
- 3** Design & produce ad creative in weeks or months
- 4** Target ads through cookies & cross-device tracking
- 5** Fail to connect marketing investments to sales revenue

The platform continues to learn and optimize as the process repeats.
